The Government funds and regulates adult Further Education and skills training in England. They pay a proportion of the cost to deliver the course and expect the student, or a sponsor, to pay the remaining portion. This is referred to as the 'tuition fees' and is what we display on our guide. If a course or a learner is not eligible for government funding the Full Cost /international fees will be liable. Please refer to our International fees page for more information.

Please note that the fees shown relate to the WHOLE programme but may be subject to change due to unforeseen circumstances, including changes to Government funding and remission policies, so before enrolling on a course please check with the College for the latest information. The College also reserves the right to close, or not to start any published course.

Every effort has been made to ensure that the information contained on this website is correct. However, the College reserves the right to change or amend, at any time, any of the course details including content, dates, times, venues, fees payable, concessions available, terms and conditions.

Content / Overview

Develop studio skills and create a wide variety of media products, ranging from documentaries and corporate videos to animation and advertising. You will learn about pre-production, filming, lighting and editing techniques.

Modules include:

- Develop studio skills and knowledge
- Create a variety of media products
- Generate a technical portfolio
- Pre-production, filming, lighting and editing techniques
- Recording and writing for film and television
- Develop animation and film production skills

Why Study Here

- Benefit from a high quality learning experience
- Taught by teachers with excellent industry knowledge
- Fantastic resources including two dedicated Apple Mac suites, one PC suite, a television recording studio and a wealth of the latest media production software and hardware
- Excellent progression routes to university or your chosen career

- Smaller class sizes, so you'll benefit from extra support

Suitable For

This course is suitable for anyone interested in media production.

Application Method

Application followed by individual interview

Entry Requirements

You must achieve at least four GCSE at grade 4 or above, including English Language.

Assessment

Coursework assignments which are internally assessed.

Further Study

On successful completion of this course you could progress on to a degree in Digital Media, Creative Media Production or similar. Alternatively, you may wish to pursue a career in the media industry.

Additional Information

A BTEC Level 3 Diploma is equivalent to 2 A Levels.

All students aged 19 years or over on 1 September in the first year of their course are expected to pay tuition, registration, exam fees and all other course related costs. Some assistance with these costs may be available depending on your circumstances and the latest government funding position.

There are normally no tuition, registration or examination fees to pay if you are aged 16-18 on 1 September in the first year of your course and are a British or European Union resident. This does not apply to HNCs/Ds, Foundation Degrees, Degrees or courses that do not attract government funding (identified as 'no fee remission available on this course').
