

# About Us

**Farnham College inspires each student to achieve their greatest potential through an engaging community, which nurtures creativity and ambition.**

In 2017, the Guildford College Group achieved an overall pass rate of 98%, with a total of 48 subject areas across the Group achieving a 100% pass rate. At Farnham College, the A\*-C pass rate was 81.8%, four full percentage points above the national average.

By studying at Farnham College you are choosing to become part of a small thriving college with a big reputation for academic excellence, innovative curriculum and a long historical tradition of academic success.

The students continued hard work and dedication gives them the best chance of getting into university and starting the professional career of their choice. Our students regularly secure places at the UK's leading universities, including Oxford, Cambridge and the Russell Group Universities. In 2016, our students went on to study at over 50 different universities.

But it's not just the success rates that make College such a popular choice for school leavers. The College has also invested hugely in its **facilities and teaching resources**, provides **comprehensive support** for students and has a **friendly, vibrant atmosphere**.

College is very different from school, it isn't just about getting an education, its about making new friends, experiencing new opportunities, enjoying the student lifestyle and preparing yourself for the future. It's about working in an adult environment, committing yourself to your studies and achieving your aspirations.

**You can be sure that you are making the right choice in coming to Farnham College!**
