

Student Soundbites

Art & Design

Kassy Troshkova

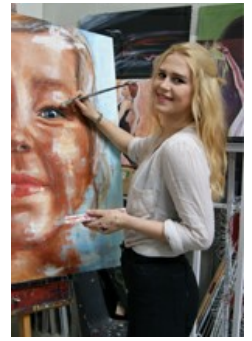

Course: Fine Art

Soundbite:

"I love art and the programme at Farnham is perfectly balanced, allowing space for technical and personal development! The teachers are great and the small class sizes allow for one-to-one talks."

Next step: Go to university or study abroad

Ultimate ambition: To work at Disney's animation studios

Callum Davies

Course: Graphic Design

Soundbite:

"The course is great as it gives you a look into what the career might be like if you choose to do that subject."

Next step: Pursue a career in Media or Graphics.

Ultimate ambition: Undecided

Business & Finance

Kirsty Flynn

Course: Business Studies

Soundbite:

"My tutor is friendly, bubbly and always up for a laugh. She knows how to get the information across, but also delivers a passion for the subject."

Next step: Go to university to study Art, then start her own business.

Ultimate ambition: To become an Art Therapist or Interior Designer.

Jonathan Lassiter

Course: Business

Soundbite:
