

Virtual Open Event Saturday 13 June

THE LIVE Q&A HAS NOW FINISHED BUT YOU CAN RE-WATCH THE SESSION HERE

Getting started

Thank you for joining us for our first ever Virtual Open Event for Farnham College.

Before you start, please watch the short video below from our School Partner, Gillian Chowdhury, as she explains how to easily navigate the event, the schedule for the day, and how to get in touch with us.

Careers support

Not sure about your options for September? Talk to our dedicated Activate Careers Team! They offer 1-to-1

meetings, help with university and UCAS applications, and interview preparation. In this short video, Holly Anfield, Careers Advisor, demystifies qualifications and explains how Activate Careers can help you get to where you want to be.

Advice and Admissions, Student Support and Learning Support

Ready for a change of scene from school? Make the switch to college and enjoy the freedom of being yourself in a safe and welcoming environment. Applying to college and studying with us can seem daunting at first, but our Advice and Admissions, Student Support and Learning Support teams are all on hand to make things as smooth and as easy as possible.
